## ▶ PROFILE

Dedicated and enthusiastic Software Development student at Mohawk College, with hands-on project experience and a proven commitment to excellence. Seeking an internship to apply my strong work ethic and collaborative mindset to tackle complex software challenges in a dynamic environment.

## ▶ WORK EXPERIENCE

**Team Leader**

McDonald's Cananda. Burlington | 2025- Present

- Lead and train team members, oversee daily operations, and foster positive work environment. Provide strong team leadership, ensuring collaboration and effective communication within the team.
- Spearheaded a comprehensive inventory management overhaul, reducing food spoilage by 15% and optimizing stock levels, leading to a 10% increase in overall profitability within 6 months.

**English Language Professional, IT Support**

Enbee Education Centre. Anand | 2022-2023

- Taught languages such as IELTS, PTE, Spoken English, and many others.
- Established a monthly expense dashboard using Excel for administrative support tasks, which enhanced visibility into spending patterns and was utilized by departments to better manage budgets and resource al-location.
